**PREMIUM TO EVERY SUBSCRIBER**

**Opportunity for Young Men and Women,  
Boys and Girls to Make Money.**

During the 18 years that THE NORFOLK WEEKLY NEWS has been published no subscriber has ever received it for less than \$1.50 per year. This price has been maintained in the face of cheaper competition, because it has always been conceded that THE NEWS is the best weekly paper published in this section of the state, being printed all at home and giving later telegraphic news and recording more local events than any other. It has always been well worth the price asked for it and will continue to steadily improve in all its varied departments in the future. But in response to the large class of people who desire to pay in advance we have decided to make the following

### SPECIAL OFFER:

To every subscriber who will pay \$1.00 in advance THE NEWS will be sent for one year.

To every old subscriber who will pay up all arrearages to date and \$1.00 in advance, THE NEWS will be sent for one year.

Every subscriber who pays one year in advance will be presented with a copy of Kendall's Perfected Receipt Book, admitted to be the best cook book on the market, containing besides suggestions as to the care of the sick, recipes for the ailments of stock, etc., which are invaluable on any farm and in any household. Those who cannot call at THE NEWS office for the book will include 5 cents extra for postage.

Any subscriber, or member of the family of a subscriber, who secures for us one or more new cash in advance subscriptions, will be paid 25 cents for each new name and \$1.00 which they may send to this office.

Those who have paid in advance at the regular rate will be credited the additional time at the new rate. Those who do not pay in advance will continue to be charged the old rate of \$1.50 per year.

This special offer will continue until April 1, unless sooner withdrawn, which we reserve the right to do. Address all communications to

grave by what we are about to relate but as it is taken from a Nebraska contemporary that makes a business of telling the truth, it may serve as a warning to some of them and convince them that now is the time to subscribe for THE NEWS. It is related by the neighboring publication that a man who was too stingy to subscribe for the local paper, sent his boy to a neighbor's house to borrow the morning paper. While the boy was coming home he fell down and broke his leg. The father heard his cries and ran out to get him, but slipped on the ice and fell dislocating his knee and tearing the bosom out of his \$10 pantaloons. His wife ran to his assistance leaving a two year old baby on the floor. The baby crawled out of the door and fell down the well and while the mother was fishing the child out, the house caught fire and was totally destroyed. The moral is obvious. He who runs may read.

The sixth birthday of Miss Dorothy Salter was very happily remembered at the home of her grandparents, Mr. and Mrs. John R. Hays yesterday. Six little girls shared with her the pleasures of the occasion.

Charley Durland is reported better today. The diphtheria has been checked by the use of anti-toxine. His condition is still precarious but there are strong hopes that he will have sufficient vitality to rally and recover.

The Dickens sociable will be held next Tuesday evening at the home of Rev. and Mrs. Parker. There will be a rehearsal of all those who are to take part in impersonating Dickens' people at the residence of Mr. and Mrs. Geo. L. Iles on Norfolk avenue, Friday evening.

The milder temperature, the warm, bright sun and the balmy southerly breezes conspire to give one of the most springlike days of the present season. The snow by the roadside is melting rapidly and a few days like this would take the frost out of the ground and make it ready for seeding. A heavy rain would not be undesirable at the present time.

Omaha, the seven year old daughter of Mr. and Mrs. C. W. Bridgford, died at about 5 o'clock this morning. This is the second death in the family THE NEWS has had to chronicle within the past week. The child was taken sick with the measles. These were followed by pneumonia, to which she succumbed. The funeral will take place tomorrow afternoon at two o'clock. The three remaining children are still sick with measles but are reported as on the road to recovery.

Among those who went to Stanton today to the wedding of Miss Lillian, daughter of Wm. Gerecke, and Mr. Hope of Omaha, which took place at 4 p. m. were Mr. and Mrs. Jno. R. Hays, Mr. and Mrs. C. H. McClary, Mrs. Mary Mattheson and son Storrs, Alfred Gerecke, Arthur Pilger and Dr. Bear and family. The marriage ceremony was performed by Rev. Joseph Parker.

F. A. Beeler returned from an extended eastern trip last evening. He comes back very much impressed with the upward tendency of business affairs. The situation in New York City has never been paralleled. Money is more abundant than ever before; the wholesale houses are crowded with orders; the factories in all lines are working overtime; wages are being advanced voluntarily; markets are widening in our new possessions, and altogether a jubilant spirit has taken control of the business men of the east. While there, Mr. Beeler visited Cramps' great ship yard, saw the keel of the new warship Maine laid, and went over the Alabama, which will be placed in commission next February. Cramp has "rush orders" from Russia and other European governments which will keep that immense force of men busy for several years. Of course Mr. Beeler, while interested in general business conditions, did not forget the needs of the people of Norfolk and vicinity. He purchased a very choice and complete line of dry goods of the latest styles and patterns which will be on sale shortly. Beeler Bros. look forward to a good spring trade. They have the goods and will make prices that will satisfy their customers.

In the spring the human body needs assistance to throw off the stagnation produced by winter diet. As the temperature rises under the growing heat of sun's rays, we feel tired, half sick and low in spirits, because the blood is sluggish and full of impurities. Dr. J. H. McLean's Strengthening Cordial and Blood Purifier is a reliable spring remedy to invigorate the blood and give tone to the digestion. Price 50 cents and \$1 a bottle. Koenigstein's pharmacy.
